This was inconsistent with existing Section 2.6, which provides that with respect to Daily ICE Endex German THE

¹ Capitalized terms used but not defined herein have the meanings specified in the Delivery Procedures or, if not defined therein, the ICE Clear Europe Clearing Rules.

Natural Gas Futures Contracts, EFPs and EFSs may be posted up to thirty minutes following the cessation of trading. The amendment changes the delivery timetable to be consistent with Section 2.6, which sets forth the correct deadline.

ICE Clear Europe has posted a copy of this submission on its website concurrent with the filing of this submission.
